

All students are college ready, career ready, life ready.

Harmony Science Academy

Date, September 26

Hispanic Heritage Month

“Many backgrounds, many stories...One American Spirit”

Good Morning Harmony Science Academy,

H.S.A. will celebrate National Hispanic Heritage Month from September 15 to October 15, by celebrating the histories, cultures and contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean and Central and South America

Congratulations

- Students for beginning a successful academic year.

Friday Afterschool Clubs

Good afternoon Parents and Guardians,

Clubs will begin September 30, 2011. They will be held every Friday between 3:10 - 4:00pm. Students must arrive on time and cannot accumulate more than two absences per every six-weeks or they will be dismissed from the club. Once students are placed in a club, they may not change to a different club. Some clubs require students to sign a permission slip, purchase equipment or supplies, and may require students to pay a minimal onetime fee for required materials.

Reminders

- Student Handbook
- Monday mail needs to be signed by parents or guardians
- Dress Code Policy
- Dismissal Policy
- Updated Academic Calendars

Harmony Science Academy Spirit Shirts

Greetings, Harmony Science Academy will begin taking orders for Spirit Shirts from now until the 7th of October.

We are planning on having our Friday's spirit shirt day beginning the 21st of October.

WELCOME BACK Students, Family, and Friends

Harmony Science Academy

Greetings parents,
We are requesting your assistance with students birthday parties. Unfortunately, cupcakes, and cakes have been used inappropriately on students faces, tables, and on the floor. If students want to participate with birthday celebrations, they will have the opportunity to celebrate afterschool, with prior approval from Administration. Please refer to page 18 on the student handbook.

Greetings Parents and Guardians,

As you may have seen at our Parents Barbeque party, we are attempting to fundraise for our school activities ranging from athletic competitions, such our basketball and soccer teams traveling throughout the El Paso region. As well as our academic competitions, such as Academic Tournaments "High Q", UIL Academics, debate, robotics, Science Olympiad and of course our Science Fair.

We have partnered with VIP CARD, which allows you to carry a pocket size card that will give you access to discount throughout El Paso, Texas. With over 500 participating businesses and hundred's of discounts for one year!!

If you could help Harmony Science Academy with our fundraiser, as a team of parents, students, and staff, our students will have the opportunities to participate in afterschool programs that will enrich their learning environment.

Thank you,
